The article referred to above reflected "A Ku Klux Klan spokesman of Greenville reported today the recent formation of a new political party to be known as the United White Party."

The article further reflected that a mass meeting was held in Knoxville, Tenn., attended by delegates from 14 states who adopted the following platform: "We the United White Party, in order to preserve the white race, believe in the following: preservation of the white race, racial integrity, States Rights, revised foreign policy, segregation, and Christian principles."

According to the article, the group went on record as being opposed to the NAACP, the Anti-Defamation League, and "all other race mixing organizations and individuals." Further, there were many Klansmen represented, but there were also delegates from other "white groups." When the organization is completed, the 48 states will be represented. According to the article, the group had elected a temporary slate of officers which included a man from South Carolina. States represented at the meeting were North Carolina, South Carolina, Georgia, Tennessee, Kentucky, Illinois, Ohio, Maine, Wisconsin, Missouri, New York, Florida, Alabama, and Indiana.

On 11/26/57 Potential PSI [redacted] of Greenville, S. C., whose identity should be protected, advised SA JAMES W. CANNON that he attended the convention in Knoxville, Tenn., on 11/10/57 as a delegate representing the Independent Knights of the KKK. The convention started with a dinner on 11/9/57 at the home of [redacted] Knoxville, Tenn. [redacted] is [redacted] of the Knox County White Citizens Council and also [redacted] of the Anderson County White Citizens Council, according to [redacted]. There were representatives from 11 states at the dinner at [redacted]'s home and representatives from 31 states at the convention meeting on Sunday.

Cincinnati's attention is directed to the individual PETER L. XAVIER who listed his address as K.K.K. & U.K.A., 335 Linwood St., Dayton 5, Ohio. It appears as though XAVIER is possibly connected with a Klan organization in the event there is an active Klan organization in the Dayton area.

Above submitted for the information of all Offices who should forward any pertinent information regarding the United White Party to the Bureau but should conduct no active investigation regarding it pending Bureau instructions.

[ ] The identity of this informant must be carefully protected and if any of the following information is used in a report it must be paraphrased.

b7D

Copies are being furnished to the offices designated because either an individual or organization in their territory is mentioned herein.

Informant stated that the full address of BRYCE SHOTTE (or SHUTTE) was given as 706 B. S. McQuinnin, c/o [ ] phone 6225, Florence, South Carolina. Informant does not understand what this address signifies. He stated that SHOOTTE came with Reverend [ ] SHOTTE said he is sixty-one years old, and is about 5' 7", 180 lbs., hair black and greying, combed back. He has a black mustache twisted on the ends. From his conversation he appears well educated and well read. From what was said he does research and writing in Klan matters.

b6  
b7C  
b7D

Informant stated he arrived after the meeting was already in progress and Admiral CROMMELIN was already speaking. A statement was made by someone that there had been newspaper and television reporters waiting outside the hall for Reverend [ ] but they had left when [ ] did not appear at the start of the meeting.

Informant stated that in the discussion of the group after the main part of the meeting [ ] made the statement that the FBI had been to see him about the trouble at Maxton, N. C., and that he had given them a full account and has every confidence they will make a full investigation. MILLARD D. GRUBBS stated that he knows the FBI will have a fair investigation made and will not be concerned with who was involved but whether anyone's civil rights were violated. GRUBBS went on to say he was convinced no one could bring pressure on J. EDGAR HOOVER to cover up anything in protecting anyone's civil rights. GRUBBS said if the FBI finds the Sheriff and the Mayor conspired to bring [ ] there to harm him the facts will be presented for trial in federal court. He said that the decision whether it will be prosecuted is up to the Department of Justice and not the FBI. He also said that the facts the FBI develops could not be turned over to [ ] for his use in defending himself in State Court against the charges there.

CE 105-331

It is to be noted that Charlotte has no information that any agents have contacted COLE about this matter or that COLE or anyone connected with him has made any allegation of a civil rights violation to the FBI.

During the discussion after the main meeting, MILLARD D. GRUBBS made the statement the United White Party is not going to organize and accept the U. S. Klans or the Association of S. C. Klans--that they have been investigated and do not have the patriotic cause but just out to make money.

Informant stated it was his understanding that a number of the persons who stayed for the discussion after the main meeting spent the night in the Henry Clay Hotel. In addition, it was his understanding that a number of these persons had small meetings in rooms in the hotel on Sunday morning, 2-2-58, but he did not know who was present in these meetings.

Informant stated that on 2-2-58, [redacted] of Chicago in general conversation said that the battle against the Negroes will come in the north, not in the south. He said that in the south the white people know how to get along with them but in the north the Negroes are causing trouble. He said in Chicago Negroes are raping white women and the police do not do anything about it or even make a record of it.

b6  
b7C  
b7D

Informant stated that [redacted] and BRYCE SHOTTE left Louisville on the evening of 2-2-58, with [redacted] in the Nash station wagon of [redacted]. They stopped in LaFollette, Tennessee, which was said to be [redacted]'s town and ate in a restaurant there. While they were eating, [redacted] called someone on the telephone and a number of people came to meet Reverend [redacted].

[redacted] got out in Knoxville, saying he had to go to work, and [redacted] drove on to Hot Springs, North Carolina, where he left the group because there was a delay on account of snow blocking the road.

This memorandum and its contents are loaned to you by the Federal Bureau of Investigation, and neither it nor its contents are to be distributed outside the agency to which loaned.

A confidential informant, who has furnished reliable information in the past, advised that a meeting sponsored by the Citizens Councils of Louisville, Kentucky, was held on the evening of February 1, 1958, in the Henry Clay Hotel, Louisville. The meeting was held in a big room on the second floor, and the room was full with some standing. This informant estimated there were three hundred and fifty persons there including about fifty women.

There were men at the door checking on those who came and from what was said, only those with invitations or who were identified by someone were admitted. The men at the door were wearing blue arm bands about four inches wide with a white circle and the letter "W" in red in the white circle. A few of the other persons there also wore these arm bands. MILLARD D. GRUBBS, Head of the Citizens Councils of Louisville, stated this was the official emblem for the United White Party. GRUBBS said a flag for the United White Party was being designed.

No persons recognized as newspaper reporters were seen inside the meeting room. After Reverend [redacted] had spoken some man got up and started to go out. Someone raised an objection saying this man had been taking notes while [redacted] was speaking. The men at the door stopped this man and questioned him. He said he was a minister and that he had come there on an invitation. He was allowed to go and take his notes with him.

In his speech to the meeting, Admiral JOHN CROMMELIN of Alabama said he was there for himself and as a delegate from General GEORGE VAN HORN MOSELEY. He read a letter which he said was from General MOSELEY. This letter included statements to the effect that it appeared the time has come when to regain our constitutional rights and constitutional government and civil liberties we would have to resort to violence--that our constitutional rights never would be regained through political maneuvers without using violence.

Admiral CROMMELIN said he did not agree with this and that he did not think violence would have to be used. MILLARD D. GRUBBS said he thought violence would be necessary, and they had some discussion of this in front of the group.

b6  
b7c

After CROMMELIN had finished speaking a man named [redacted] from Texas, [redacted] from Knoxville, Tennessee, [redacted] from LaFollette, Tennessee, and a man called PETER X [redacted] from Ohio got up and asked CROMMELIN what he thought of [redacted] of Alabama. CROMMELIN said he agreed with [redacted] on segregation principles but not on acts of violence, if [redacted] was responsible for those he has been accused of. One of these men asked CROMMELIN if he did not think that acts of violence had helped to hold back integration, and he replied he did not think so.

Reverend [redacted] of Marion, South Carolina, who is [redacted] the Knights of the Ku Klux Klan in North Carolina, made a speech. He talked about the trouble at the Klan meeting at Maxton, North Carolina, on January 18, 1958. He said that a Klan rally had been advertised in advance and that it was not advertised as a public meeting. He said he had called the meeting off because a controversy came up with the Indians but that the Sheriff and the Mayor told him they thought it would be all right to have the meeting. He said the so-called Lumbee Indians had started shooting and the State Police came and broke the meeting up. He said that the Lumbees are not really Indians at all and are only called that by an act of the State Legislature.

RE: CITIZENS COUNCILS

UNITED WHITE PARTY

MILLARD D. GRUBBS spoke and outlined the procedure for setting up support for the United White Party. He said that all organizations which have as part of their purposes to maintain segregation, states rights, and constitutional rights could join. He said these organizations, in affiliating, could retain their own names they now have except the Ku Klux Klan, which will have to go underground and adopt another name as a front. He said that BILL HENDRIX of Florida is now operating under a name which was understood as "Christian Association" or something similar.

GRUBBS said that he, along with Dr. ED FIELDS of Louisville, General GEORGE VAN HORN MOSELEY, and a woman named [ ] (last name understood as [ ] or something similar), are now getting ready to write the platform for the United White Party. He said Admiral CROMMELIN is going to help them.

In his speech GRUBBS said he thought that to regain constitutional rights it might be necessary to arrest the government officials responsible for destroying constitutional government and charge them with treason. b6 b7C

GRUBBS read what he said were statements from the head of the Cherokee Indians in North Carolina and from a tribe of Indians in Oklahoma to the effect that the Lumbees in Robeson County, North Carolina, are not Indians and not recognized as such by any Indians.

A man, whose name was understood as LUTZ, was introduced as the head of the Christian Front in New York and he made a speech. He said he was a Catholic and his speech was an attack against Jews. He said three attempts had been made to send him to insane asylums to get him off the streets, but he had beat them every time. He appeared to be about sixty years old.

Dr. [ ] connected with the paper, "Health Advocate," made a speech. This paper shows his address as [ ] [ ] Detroit, Michigan. He said he is running for Congress and that his opponent is a Negro. He said he was not against him because he was a Negro but because he is controlled by [ ] and the Communist Party.

[redacted] connected with Klan organizations at Greenville, South Carolina, made a short speech. He said he had gone a long way to meet with them again. He said the fight for segregation must be done legally and if they cannot stick with legal means, he will be done with them.

After the speeches were finished, most of the people left and about twenty remained and talked together. Those whose names were obtained of the group that remained were:

MILLARD D. GRUBBS, head of the Citizens Councils in Louisville;

b6  
b7C

Dr. ED FIELDS of Louisville. He mentioned he is a native of Atlanta;

NED DUPES, 808 North Third Avenue, Knoxville, Tennessee;

He drives a 1955 Nash station wagon. He said he was there as a delegate for [redacted] of Chattanooga, who had another meeting in Chattanooga the same day;

JOE McWILLIAMS, stated to be a master engineer from Chicago and to be Grand Dragon for Illinois of the National Knights of the Ku Klux Klan (or the National Ku Klux Klan). He is about fifty, 5' 10", 220 lbs., black greying hair, and fair complexion;

[redacted] stated to be from Sherman, Texas, and to be [redacted] for Texas of National Knights of the Ku Klux Klan (or National Ku Klux Klan);

Reverend [redacted] of Marion, South Carolina,  
head of the Knights of the Ku Klux Klan (North Carolina);

Dr. [redacted] connected with the paper,

b6  
b7C

PETER (last name understood to start with X \_\_\_\_\_),  
stated to be Grand Dragon of National Knights of the Ku Klux Klan  
in Ohio. He said he is a baker or runs a bakery in Dayton, Ohio.

GRUBBS made a statement that [redacted] of  
Florida had sent a wire that he could not be there because of  
sickness in his family--that he had started and had to turn back.

The discussion of this group was about the platform  
of the United White Party and what organizations could be accepted  
for affiliation. Informant stated that from the conversation he  
understood the main purpose of this meeting was development of  
support for the United White Party.

MILLARD GRUBBS and Admiral CROMMELIN got into an  
argument with GRUBBS saying he felt there would have to be violence  
to prevent integration and regain constitutional government, and he  
said General DOUGLAS McARTHUR and WESTBROOK PEGLER agree with him.  
Admiral CROMMELIN disagreed, saying political action should be  
enough.

Reverend [redacted] said he already has a charter  
in North Carolina as the States Rights League and that he will

operate under that name. He asked if it would be all right for him to hold some more open public meetings as "The Klan." GRUBBS and Dr. FIELDS and Admiral CROMMELIN said he could continue to hold public meetings as the Klan but not to be publicly affiliated or associated with the United White Party as a Klan group.

During the conversation, GRUBBS, Dr. [ ] Dr. FIELDS, and the man believed to be named [ ] with the Christian Front from New York said in effect that they are primarily against the Jews because the Jews are promoting a conspiracy to put Negroes against whites to weaken our government.

GRUBBS said there must not be discussions in meeting of the Ku Klux Klan Klaverns advocating violence. During the discussion no definite arrangements were made for the next meeting, but it was generally agreed it would be held somewhere further south.

The writer stated there would be a cost of \$13.00 to appeal the suit. The letter further stated -- "We picketed the State Capitol yesterday, protesting the Nigger Anderson's Race-Mixing Bill as well as CHANDLER. We received good coverage in the press. WHAS-TV did a very good job in showing all our signs on the TV news. The next day the newspapers announced their support for WYATT for Governor as next-year's anti-CHANDLER candidate."

Further reference is made to Atlanta airtels dated 6/24/58 and 6/26/58, Atlanta teletype and Bureau teletype dated 6/26/58, all captioned "Christian Anti-Jewish Party, IS-X".

[redacted] who has furnished reliable information in the past, telephonically contacted the Atlanta Office at 12:35 a.m. morning of 6/26/58, and advised that he just attended a meeting of the National States Rights Party (NSRP). Informant advised Night Clerk on duty that surveillance of STONER by FBI was discussed. Further, it was stated at the gathering that a group would "gang up" on FBI agents trailing STONER and shoot to kill.

b7D

In view of nature of information furnished by informant, information was immediately furnished to the Bureau and interested offices by teletype.

Later in the morning of 6/26/58, [redacted] was contacted by SA [redacted] to develop full details and circumstances of what transpired, and was said at meeting of National States Rights Party on night of 6/25/58, results of which contact are as follows:

[redacted] advised meeting was held at residence of [redacted] Atlanta, Ga. and that the following persons were in attendance:

b6  
b7C  
b7D

Informants advised that nothing pertinent discussed at meeting as such; however, after formal meeting concluded, informal discussion was had. [redacted] advised SA [redacted] on 6/26/58 that discussion drifted to JESSE B. STONER and FBI surveillance of STONER.

AT 105-763

It should be noted that STONER was formerly a Klansman and upon being expelled, formed Christian anti-Jewish Party (CAJP) in late 1940's. Current thumbnail on CAJP available all offices.

Someone inquired as to whether the FBI was looking for STONER in conjunction with the Florida bombings. (Bombings of Jacksonville, Fla. Jewish Center Synagogue and Negro High School 4/23/58).

✓ [ ] mentioned that a set plan should be formulated to capture any FBI agent caught surveilling any one of their group and that agent should be placed under Citizen's Arrest, fingerprinted, photographed, and that thereafter the photo of agent should be printed in "Friendly" papers to destroy agent's usefulness in future investigations of their organization.

b6  
b7c

✓ [ ] Atlanta, Ga., who operates his own advertising agency, advised he wanted no part of a Citizen's Arrest of agents, but preferred taking a rifle and "shooting the S.O.B.'s" if they were caught surveilling members of their group.

The discussion continued regarding ways and means of detecting a surveillance and they discussed possibly mugging of an agent at which time [ ] reiterated his preference for action that would permanently take care of an agent.

BUREAU BY TELETYPE ADVISED THAT ALL OFFICES WHICH HAVE HAD OR CURRENTLY HAVE LEADS IN THIS MATTER SHOULD BE ALERTED TO ABOVE STATED INFORMATION. IN FUTURE FURNISH SUCH INFORMATION TO ANY OTHER OFFICE REQUESTED TO CONDUCT INVESTIGATION AT TIME SUCH INVESTIGATION REQUESTED.

FROM : *JWA* Director, FBI (105-66233)

SUBJECT: NATIONAL STATES' RIGHTS PARTY,  
formerly known as United White Party  
INTERNAL SECURITY - X

DATE: June 27, 1958

Offices receiving copies of this letter have received information previously concerning the National States' Rights Party (NSRP) and/or United White Party (UWP).

UWP, which has been publicized as a new political party, was formed November 10, 1957, at Knoxville, Tennessee. It is a prosegregation organization. UWP is now known as NSRP with headquarters at Jeffersonville, Indiana.

Several individuals identified as being affiliated with NSRP are known to be members of Klan organizations and others are notoriously anti-Semitic. Some individual members have indicated a tendency toward violence; however, no information has been received that NSRP has adopted a policy of advocating or approving the commission of acts of force or violence to deny others their rights under the Constitution. Therefore, no investigation of NSRP should be conducted at this time.

b6  
b7c

In view of the nature of this organization, however, the Bureau desires to be kept apprised of its activities not only from an intelligence standpoint but so that an investigation in connection with Executive Order 10450 may be initiated if warranted.

All offices are instructed to alert logical established sources and informants in order that pertinent information regarding its activities may be furnished to your office. Any such information received should be furnished the Bureau, Indianapolis and other interested offices. Such data should be submitted in memorandum form suitable for dissemination, unless the nature of the information requires more expeditious means of communication.

INDEX The NSRP through its official organ "The Thunderbolt," has criticized the Bureau in connection with investigations which have grown out of racial situations. In addition information has been received that at a meeting of NSRP held on June 25, 1958, in Atlanta FBI surveillances were discussed. It was stated at the meeting that a group would "gang up" on FBI Agents and would shoot to kill. In view of the above extreme caution and discretion must be utilized in connection with this matter. 1 / NDS

Knoxville is instructed to furnish Indianapolis a copy of all pertinent serials pertaining to the captioned organization.

NATIONAL STATES' RIGHTS PARTY,

INTERNAL SECURITY - X

On August 6, 1958, [redacted] Anti-Defamation League, B'nai B'rith, 343 South Dearborn Street, Chicago, Illinois, advised that the National States' Rights Party (NSRP) is a newly formed successor to the United White Party (UWP) and the official publication of the NSRP is called "The Thunderbolt." The national office of the NSRP is at P. O. Box 261, Jeffersonville, Indiana, however, the UWP is receiving correspondence at P.O. Box 2161, Knoxville, Tennessee.

b6  
b7C

The masthead of the 1958 "Thunderbolt" and "The Thunderbolt" published in 1946 are identical. The old "Thunderbolt" published by the old Columbians movement in Atlanta, Georgia was described as anti-Negro, anti-Semitic and pro-white supremacy.

[redacted] believed that Edward Fields of Louisville, Kentucky and Emory C. Burke of Montgomery, Alabama to be associated with the NSRP. Burke was former president of the Old Columbians and formerly worked on Admiral Crommelin's staff during his recent unsuccessful campaign for the Democratic nomination for governor of Alabama.

The new "Thunderbolt" endorses Admiral Crommelin for the presidency of the United States in 1960. A convention of the NSRP is planned for August 30 and 31, 1958, in Jeffersonville, Indiana. [redacted] had no further information concerning this planned convention.

[redacted] further advised that he had heard of no activity of the UWP in the Chicago area and had heard of no distribution of leaflets. However, [redacted] displayed a copy of the July 25, 1958 issue of "The Thunderbolt" and

there appeared an article on page two that the Illinois Unit of the NSRP is headed by F. Allen Mann, editor of "The Revere," Box 147, Hinsdale, Illinois. Readers in the Chicago area of this publication were urged to contact Mann.

The Ku Klux Klan has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On August 13, 1958, [redacted] Hinsdale, Illinois, advised that F. Allen Mann is about 21 years of age and resides with his parents at 841 South County Line Road, Hinsdale, Illinois, which is an exclusive residential area. Mann, who was a college student, currently edits a newsletter entitled "The Revere." According to [redacted] this newsletter is anti-Semitic, pro-segregation and pro-Fascist in character and also appears to be advocating Communism rather than opposing it. Mann has been interested in the past in Ku Klux Klan activities.

[redacted] who is in contact with Mann, advised that Mann continues to send out his newsletter entitled "The Revere." [redacted] had no knowledge of Mann's activity in the NSRP or the UWP, and had no knowledge of these organizations.

On July 17, 1958, William O. Freeman, Chief of Police, Hinsdale, Illinois, advised that F. Allen Mann was arrested in July, 1957 by the Hinsdale Police Department on the charge of disturbing the peace (Mann distributed anti-Semitic literature in Hinsdale, Illinois) and was released on bond. Freeman described Mann as a "screwball."

On August 13, 1958, T-1, an agency which collects security information in the Chicago area, indicated that they had no information concerning the NSRP or the UWP.

Re: NATIONAL STATES RIGHTS PARTY

The Courier-Journal, Louisville, Kentucky, a newspaper of general circulation, on August 31, 1958, reported that a National States Rights Party convention in a closed session at Liberty Hall, 211 West Walnut Street, Louisville, Kentucky, voted to draft retired Admiral JOHN G. CROMMELIN as that party's candidate for President in the 1960 election. JOHN KASPER, characterized in the news report as a segregationist, was spokesman.

The convention also voted to draft MILLARD DEE GRUBBS of Louisville as the party's candidate for Governor of Kentucky in the 1959 election. KASPER identified himself as secretary of the Tennessee White Citizens Councils and indicated that one hundred delegates represented eighteen states. The states represented were:

On September 1, 1958, a confidential source furnished the following information:

On August 30, 1958, at 2:30 P. M. the National Convention of the National States Rights Party was held at Liberty Hall, 211 West Walnut Street, Louisville, Kentucky. The first session was open to the public.

The meeting of approximately one hundred people was called to order by ARTHUR COLE, National Chairman, who stated that the meeting was being held for the purpose of nominating the party's candidate for President in the 1960 election.

*probably*  
*JOSEPH*  
*BEAUHARNIS*  
*71*  
The first speaker, Mr. BARHARNIS, of Chicago, Illinois, spoke for approximately twenty-five minutes. He advocated the use of Hitler methods to gain power in the United States, urging that the States Rights Party should work to secure seats in Congress, then grasp control and overthrow the present form of Government. He indicated that by doing away with the Jews they would also do away with the "niggers."

*INDEX*  
BARHARNIS introduced JOHN KASPER, the principal speaker, who spoke for about fifty minutes. KASPER told of his experiences in Clinton, Tennessee, and stated that his main purpose in coming to Louisville was to instruct the members of the party how to go about educating the people all over Kentucky; to get them to work together to overthrow the Jews in power, thereby stopping integration and bringing an end to being pushed about by the "niggers."

KASPER stated several times that he did not advocate violence but feels that the result of his work is evidenced by the bombing of Jewish synagogues and Negro churches and schools. KASPER repeatedly referred to his activities in Tennessee and stated he was very pleased with the results there and felt that the same thing could be achieved in Kentucky by a united effort by its people.

KASPER stated that the public must be aroused. He recommended meetings each day in all neighborhoods and larger meetings downtown as more people become interested. He stated that he believed a crowd should be made up of thousands of people to be effective. He stated that they had every right to meet on the courthouse lawn.

KASPER used the terms "kikes" and "niggers" throughout his speech and his remarks were received by enthusiastic clapping, shouting, and amens. He announced his nomination of Admiral JOHN G. CROMMELIN as candidate for president in 1960. KASPER received a standing ovation before and after his speech.

[redacted] of New York, PETER XAVIER, Dayton, Ohio, and [redacted] Rock Hill, South Carolina, spoke in that order. Their talks followed the same line as KASPER's in condemning Jews and Negroes. Short talks were made by [redacted] of Arkansas and [redacted] St. Louis, Missouri. [redacted] was in the audience. Reverend [redacted] Lexington, Kentucky, a retired Baptist minister, spoke for about forty-five minutes denouncing integration. Representatives were present from Alabama, Florida, California, and other states, but they were not introduced and the source did not identify them. The source identified Dr. EDWARD R. FIELDS, Louisville, Kentucky, as taking an extremely active part in the convention. Also present from Louisville, Kentucky, were Mr. and Mrs. [redacted] [redacted] and Mr. and Mrs. [redacted]. The source identified Mrs. [redacted] of Jeffersonville, Indiana, as being present.

b6  
b7C

A collection was taken in behalf of JOHN KASPER's expenses and almost everyone attending contributed at least one dollar. Several men were observed pressing bills of larger denominations into KASPER's hand after the meeting was over. The meeting was adjourned at 6:15 P. M. to reconvene at 7:30 P. M. The evening session was closed to all but delegates.

The source learned that on August 31, 1958, another meeting was held at the Williams Trailer Court, 2129 Dixie Highway, operated by [redacted] KASPER again spoke to this group after which he left Louisville. The source learned that KASPER planned to go to Knoxville, Tennessee, where he was to attend a trial to testify on behalf of one [redacted] who was arrested for disorderly conduct by Knoxville Police for picketing the movie "Kings Go Forth."

b6  
b7C

The source advised that the delegates seemed to be completely in accord with the nomination of CROMMELIN and also with the idea of having MILLARD DEE GRUBBS, Louisville,

run for the office of Governor of Kentucky. The source advised that neither MILLARD GRUBBS nor [redacted] were observed at the August 30, 1958, afternoon session.

b6  
b7C

The source advised that there was considerable drinking and that several of the delegates appeared to be at a feverish pitch of excitement by the time the ~~Sunday~~ afternoon session ended.

The source advised that most of the speakers were ineffective, but that KASPER had the ability to excite the crowd and arouse enthusiasm.

The source furnished a handbill promoting a book "Segregation Versus Integration" by W. M. NEVINS, 51 Mentelle Park, Lexington, Kentucky, leaflets promoting the United Southern Employees Association, 158 East Black Street, Rock Hill, South Carolina, and a handbill urging the "drafting" of MILLARD DEE GRUBBS as candidate for Governor of Kentucky. This handbill bore the printed endorsements of the following groups:

The confidential source mentioned in this memorandum is [redacted] Louisville Police Department. Policewomen [redacted] who have attended previous Citizens Council functions in Louisville, attended the open session of this convention. [redacted] furnished copies of a report submitted by Officers [redacted]

[redacted] advised as an interesting sidelight that EDWARD R. FIELDS, Louisville chiropractor, refused to let the policewomen enter the convention hall for the evening session on August 30, 1958, and sent [redacted] of St. Louis to ask them to leave the building. As they were leaving, they met JOHN KASPER who urged them to return and indicated that he would arrange for them to attend the evening session. KASPER at this time "propositioned" policewoman [redacted] to visit him in his room that evening. The policewomen did not attempt to return to the convention because of FIELDS' apparent suspicions.

"August 18, 1958

"Pursuant to our telephone conversation the other day I decided to have our contact visit with GRUBBS and FIELDS. In the case of the former to determine how active he will be in the NSRP. In the case of the latter, to further cement relationships and to develop any additional information which might be available concerning the forthcoming NSRP convention. This memo will be a summary of data which I provided in our phone conversation plus the report which I received this morning.

"As yet we have not been informed as to the place in which the Louisville sessions of the convention will be held. There is a strong possibility that the meetings will be held in the Brown Hotel. FIELDS indicated that he was disturbed over the high costs which are involved in holding a meeting there. For some strange reason the site of the Louisville sessions are being kept a closely guarded secret. According to FIELDS the meeting place is secret 'because of necessity.' It would seem that a check with the Brown Hotel management might give us some idea as to whether or not that hotel in actuality is the site for the Louisville meetings.

b6  
b7C

"GRUBBS appears to have moved away from active cooperation with the NSRP although he maintains contact with FIELDS and was consulted for legal advice in regard to the arrest of

GRUBBS contends that he is a Democrat and cannot go along with a third party. He believes that it is important to clean out the corruption from within rather than developing a new political party. Also curious is GRUBBS evaluation of Jewry in contrast to the blatant anti-Semitism of the NSRP. GRUBBS says he doesn't believe "in killing all Jews. There are good Jews.

its just the Zionists--the money boys. If they've done something wrong to this country then I say shoot them, but not every one.' GRUBBS predicts 'an uprising one of these days that will kick EISENHOWER and what-you-call him in England out. The Jew's day is coming, so don't get on the wrong track.'

"GRUBBS is not attending the NSRP convention. But he is busy in his own operation. One of the letters on his desk was addressed to [redacted] (attorney) Republican Building. Stacks of material from the National Committee to free America from Jewish Domination were spread profusely throughout the house. After about 10 minutes he curtly ended our conversation by saying 'I must get back to work.'

"The convention should have a glorious galaxy of the anti-Semitic constellation. In attendance will be [redacted] ARTHUR COLE, [redacted] LINCOLN ROCKWELL, J.B. STUBER, Rev. [redacted] F. ALLEN MANN and JOHN KASPER.

"When I called on FIELDS he was alone in his office typing a letter to the Virginian on NSRP stationery. All in all his mood has softened considerably, and, in fact, he was most amiable.

"He showed me two pictures of the Washington, D.C. pickets. One sign featured a Sturmer type caricature of a Jew jowling over the President. It read 'Stop the Kike from Getting IKE.' FIELDS was visibly happy over the resultant publicity and flipped a sheaf of photostats of Southern press clippings on the Atlanta picketing. His organization appears to be running smoothly and appears to be extremely well organized. I suggested FIELDS in counting the number of names on a list. The list covered three pages and was captioned 'People who have addressed friendly letters to JOHN KASPER. (Incidentally, in a previous report

b6  
b7c

I indicated to you that one of the people that KASPER wanted contacted here in Indianapolis was a G.P. McDERMOTT. We checked and found that McDERMOTT had died in 1953. I wonder how long ago these friendly letters were sent to KASPER. One the list was the name of [redacted] (You have a previous report on him. What is disturbing is that the NSRP appears to be reaching for these person who were active in the For America and Pro-Constitution groups.) On this list there were approximately 335 names. Another list with approximately 197 names contained the names of people who were contributing to JOHN KASPER. The list was being prepared for the Virginians and will be sent just as soon as FIELDS receives their written reply 'that it will be returned.'

"The strain is beginning to tell on FIELDS. 'We have a good rank and file group but there are no leaders, [redacted] did a good job, but he is in Detroit now raising money. FIELDS says that groups are forming all over the country. The party seems to be taking hold and FIELDS is jubilant over the fact that '30 have joined in Mass. people are clamoring on the West Coast, Chicago is asking for speakers and Wisconsin is coming in big with 3 members in Fort Atkinson Wisconsin.

b6  
b7c

"FIELDS [redacted] There hasn't been a night off from FIELDS 'patriotic' work for weeks. His wife wanted to go to the movies, but a 'secret' conference replaced it. However, [redacted] fervor remains the same. On the desk was a flyer entitled 'Louisvillians on Guard.' It was signed by [redacted] and [redacted] and protests the 'unlawful arrest' of the pickets.

"FIELDS showed me a letter which had just arrived. It was a two page note from [redacted] (RG - Seymour, Indiana, Report in your files). MCLAN wishes the fledgling NSRP success and offers his own fatherly advice. He thinks it is best

to work through the nucleus of the Constitution Party in Indiana. He suggested that [redacted] write [redacted] immediately and 'also [redacted] he's a good man.' ([redacted] of Bloomington, Indiana.) Finally [redacted] suggests a lawyer with whom FIELDS might keep in close contact. The attorney is [redacted] in the Kentucky Home Life Building, Louisville. [redacted] purportedly has organized a 'Gentile Civic League.' FIELDS indicated that he was familiar with [redacted] and considers him a 'wind-bag afraid to mention the word Jew.' FIELDS suggested that I contact [redacted] of the Indiana Constitution Party and urge his attendance at the convention. He also suggested that [redacted] a personal friend of GRUBBS, might be a worthy collaborator. FIELDS also would like to contact [redacted] now in Detroit, because he believes that [redacted] a list of Indiana ex-Klansmen might be most helpful. FIELDS also suggested that I set up a P.O. Box and list myself as coordinator.

BEAUHARNAIS

"An interesting bit of information was given by FIELDS just before we parted. He told me that JOSEPH BEAUHARNAIS of Chicago will be chief of the bodyguards at the Rally. He will have instructions to kick anyone out that 'disrupts the meeting, even if its and NRP member.' The meeting place is still secret due to what FIELDS calls necessity. 'If the Jews find out where the hall is they'll use their influence to cancel it and leave us with a lot of useless invitations.'

b6  
b7c

"Just one little bit of information which may or may not be helpful in the future, the license number of FIELDS car is Kentucky J-17 634.

[redacted] and GRUBBS both seem to have unlimited quantities of the materials which are being distributed by the National Committee to Free America from Jewish Domination. Photostats of three of these items are attached. The reprints are all of old data

WFO 100-34437

which I haven't seen in years. They are done in red, white, and black and are clearly in the rather striking style of [redacted] materials. I can supply you with the originals. It might be interesting to have a printing expert compare this stuff with some of the other materials which are similar and see if we can't locate the printer in that manner."

On 9/9/58, [redacted] (protect identity) of the Anti-Defamation League, B'nai B'rith, furnished to SA HARMON J. OGDEN a report of B'nai B'rith's informant [redacted] concerning the convention of the NSRP. A copy of this report is furnished to each interested office. The blocked out portions pertained to person to whom written, copies, title and informant symbol.

[redacted] requested that if any of the information from the report is utilized or reported that the information should be carefully paraphrased to protect their source who is and will remain close to the leadership of the NSRP.

He advised that when comparing the report with others by our offices we could probably figure out who their informant was, though he, [redacted] did not know his identity. If it should be necessary for the FBI to know the identity of the source, he would attempt to secure same from New York.

He stated the New York Office of B'nai B'rith is concerned over dissemination of some of KASPER'S [redacted] and FIELDS remarks because it would pinpoint their informant.

Convention Louisville,  
Kentucky, August 30 and 31, 1958

Confidential Informant Atlanta T-1, who in the past has furnished reliable information, advised on September 3, 1958, that the convention of the National States Rights Party was held in the Liberty Hall, Louisville, Kentucky, on August 30 and 31, 1958. T-1 stated that approximately seventy people were in attendance, and when the meeting was called to order those present saluted the American Flag by extending their arm.

T-1 stated that JOHN KASPER, a nationally known segregationist, was introduced as the keynote speaker, and martyr to the American cause. According to T-1, KASPER was neatly dressed, and during his speech skillfully wove truth and philosophy into the race and anti-Jewish cause. KASPER made many statements, including "This gradual mixing is like putting your finger in the fire, if it burns today, it will burn a million years from now". T-1 added that KASPER said their main concern is communication as the newspapers, television, and radio stations are controlled by the Jews, and the National States Rights Party must through literature and public speakers maintain communications with the people. T-1 added that KASPER stated "Just look what happened while I was in prison even; those folks that have heard the truth in Clinton, Tennessee, and other places had a reaction even then, a synagogue was bombed in Miami, and Nashville, attempts were made in Gastonia, North Carolina, and Nigger schools were bombed and dynamited. All this was done only after a little communication work had been accomplished".

T-1 stated that KASPER further said that, "This is only the beginning, if we cover up the truth, the people will react and the Jew will feel the reaction, why HITLER will look like a Baptist Sunday School Teacher in comparison with what will take place". T-1 said that the above statements were received by cheering, whistling, and applause from the audience. Further, that KASPER stated, "Everyone says avoid trouble, well, so do I, I don't advocate violence, but if a Nigger comes to your backdoor, and tries to get in to steal, etc., and you resist him, is that violence?". T-1 said this was also followed by loud applause. KASPER further stated, "We as leaders couldn't be blamed because we are non-violent, but we tell the truth, and when the people find out the truth, such reaction is normal". T-1 noted KASPER as further stating "The Jew is the trouble, I say we will never stop till they are completely disposed of in one fashion or another, then we can send all the Negroes back to Africa, and have an Anglo-Saxon nation, we can be proud of".

T-1 stated the above remarks were followed by loud cheering, applause, and feet stamping.

T-1 stated that Admiral CROMELIN of Alabama, was drafted for President of U. S. A., it being noted that he had no hope for election at this time, but his campaign speeches are to expose the Jew on a nation-wide scale, according to T-1. T-1 stated JOHN KASPER declined to accept the nomination of Vice President of the United States saying that he was under age. T-1 said that KASPER used phrases such as Jewspaper for newspaper, Jewdicial for judicial, Jewnited Nations for United Nations, etc. T-1 stated that KASPER spoke for more than two hours, and was cheered throughout his speech.

T-1 stated that [REDACTED] a union official from the Carolinas, was the next speaker, and he stated that his men had completely demolished all furniture and fixtures in their union hall at Rock Hill, South Carolina. (T-1 stated he was not sure of the town, but believed it to be Rock Hill, South Carolina.)

[ ] said the police arrested them, but they were acquitted as the property destroyed was their own property.

T-1 added that [ ] who reportedly was formerly connected with the German-American Bund, spoke to the group, saying that he was the last of thousands.

According to T-1, ~~EUSTICE MULLINS~~ spoke on the "Federal Reserve Conspiracy", stating that he had written a book on the subject. ~~MULLINS~~ further stated that he visited Governor FAUBUS of Arkansas during the summer, and had conferences with the Governor's Secretary in Little Rock. T-1 stated that the meeting adjourned at 7:30 p.m., and that those present broke up into small groups for dinner, and further discussions. T-1 said he was told that JOHN KASPER said he planned to write a book called the "KASPER PARTY". KASPER reportedly said he wanted to take advantage "of the start he now has", and he intends to organize a third party to be known as the "KASPER PARTY".

b6

T-1 stated he was further told that a decision was reached to make ED FIELDS head of the National States Rights Party with the power to revoke membership and to reclaim membership cards from members "holding back the movement".

T-1 said that those present were most anti-Jewish in their remarks, and some of them would clench their fists and say "Jew, Jew, Jew" over and over, getting louder each time the word Jew was spoken. T-1 said that many of them referred to the Jewish people as "dirty, filthy, stinky, slimy Jews."

T-1 stated that the following propaganda material was available at this convention:

T-1 advised that the following story appeared in the "Louisville Courier Journal" as a result of this convention:

"Delegates to a National States Rights Party convention here voted last night to draft retired Admiral JOHN G. CROMMELIN as their party's candidate for President in 1960's election, segregationist JOHN KASPER announced.

"In a closed session at Liberty Hall, 11 W. Walnut, the some 100 delegates from 18 states also voted to draft MILLARD D. GRUBBS of Louisville as the party's candidate for governor of Kentucky in the 1959 election, KASPER said.

"KASPER, who said he is executive secretary of Tennessee White Citizens Councils, introduced the resolution calling for the drafting of CROMMELIN.

"CROMMELIN, Montgomery, Ala., was an unsuccessful candidate for U. S. senator from Alabama in 1950 and again in 1956. A graduate of the U. S. Naval Academy, he was air officer of the aircraft carrier Enterprise in World War II.

"Among delegates to the convention were ARTHUR COLE, LaFollette, Tenn., national chairman of the States Rights Party, and North Carolina state chairman OJSEPH BRYANT, Charlotte, according to KASPER.

"These states, KASPER said, were represented: Michigan, Indiana, Ohio, Illinois, New York, Pennsylvania, New Jersey, Maryland, Tennessee, Kentucky, Florida, Alabama, Georgia, Mississippi, North and South Carolina, West Virginia, and California."

"N.S.R.P. Convention Louisville Ky., Aug 30-31

"I left Atlanta, Ga with [redacted] Aug 29, stopped in Chattanooga, Tenn at 12 midnight. I carries a small confederate flag in my hand as a signal of identification for [redacted]. He said he had just arrived a minute or so ahead of us. He came up with a sprightly walk. His heels making sounds that could be heard all over the bus station. He walked erect and arrogant. I asked him as we shook hands if he was the Nigger and Jew fighter I was looking for. He said yes and we drove off to Louisville...

"Shortly aftr we started he began talking about the Ala. problems. He said he belonged to the White Citizens Council in Birginham at one time. Said the membership had dropped from about 3000 to 7 members. Said ASA CARTER was in the Council at that time. He said the N.S.R.P. had only 7 members in Ala. that he knew about. he said he was the Ala. Party Chairman. He began a tirade against the Jews as being the trouble behind intergration. He would place his hands on his knees and begin in a low tone, Jews: Jews:: Jews::: Jews:::: the dirty: filthy: stinking: slimy: Jews:: either throwing his hands high above his head or pounding the dash board with his fists. This yell carried out like a football yell reached a high pitch, and at times it would come about so suddenly I found it difficult to drive .. as time went on I braced myself for these outbursts when I saw him get in position. I told him and [redacted] to talk on as I had to concentrate on driving. He [redacted] said he had stepped over the line racially a few weeks ago and picked up a Jewish prostitute, he said he took her lipstick and wrote the 'Thunderbolt' and 'Swastika' sign on her back (naked). He said if she didn't know what the signs meant, God D--- her sh'd know in a few months.. when the reaction set in, He was discussing the Klan mutilation of the Negro in Ala. sometime ago. He said his neighbors dog had carried a 'nigger root' (penis) and put it on his front porch....

AT 105-763

"We stopped for breakfast, and I thought he had a peculiar way of using his knife and fork. He would grasp his fork with his entire fist, and use his knife to shove the food on the fork. In cutting his meat he held his fork in the left hand, straight up and the knife in the right... I have never seen anyone use eating utensils like him before..

"We reanted adjoining rooms at the Hermitage Hotel in Louisville this is a two story Hotel in the top low class bracket. I picked this one myself.. While we were getting ready to go to the convention hall, I was bathing with the door open to both rooms. [ ] marched back and forth between the rooms putting on his clothes.

He got dressed and put on 'thunderbolt' cuff links, and a large lapel pin (Thunderbolt.) We walked from the Hotel to the Convention Hall (Liberty Hall) [ ] walked stiffly erect, with his heels clicking with every step..

"JOHN KASPER was introduced as the keynote speaker and  
martyr of the American cause.. KASPER was neatly  
dressed in a blue suit, wearing a western hat. He

"Skillfully wove truth and philosophy into the race and anti-Jewish cause. Some pertinent statements were as follows.. This gradual mixing is like putting your finger in the fire. If it burns today, it will burn a million years from now .. Our main concern is communication, the press is Jew controlled as is the tv and radio, we must by literature and public speakings maintain communications with the people. Just look what happened while I was in prison even; those folks that had heard the truth in Clinton, Tenn and other places had a reaction even then, a synagogue was bombed in Miami, and Nashville, attempts were made in Gastonia Nc. and nigger schools were bombed and dynamited. All this was done only after a little communication work had been accomplished. This is only the beginning, if we keep up the truth the people will react and the Jew will feel the reaction, why Hitler will look like a Baptist Sunday School teacher in comparison with what will take place... (Loud cheering whistling and handclapping from the audience) .... Everyone says avoid trouble, well so do I. I don't advocate violence but if a nigger comes to your back door and tries to get in to steal and ect, and you resist him, is that violence? (loud handclapping) We as leaders can't be blamed because we are non violent, but we tell the truth, and when the people find out the truth, such reaction is only normal... The Jew is the trouble, I say we will never stop till they are completely dispossessed of in one fashion or another, then we can send all the niggers back to Africa and have an Anglo - Saxon nation we can be proud of.... (Loud cheering - feet stamping, hand-clapping.)

"Adm CROMELIN was drafted for candidate for President of the U.S.A.. (no hopes for election now, but his campaign speeches are to expose the Jew on a nationwide scale.)

JOHN KASPER declined to accept the V. Pres. Nomination with a blushing face stating that he is under age. KASPER stood behind the speakers platform and leaned on his long fingers on the table, his face would flush red with anger and force, but he did not rant to loud.. KASPER spoke for over 2 hours, with the people cheering him on..

[redacted] a Union Official from the Carolinas took the floor next and spoke on the Union. He stated that his men had completely demolished all furniture and fixtures in their union hall at Rock Hill S. C. (?).. He said the police arrested them all but they were acquitted, as they were destroying all their own property.. He was an ignorant dynamic speaker on this ocassion.

[redacted] spoke, without making any sense, some stated that he was at one time connected with the German American Bund. He told me he was presently connected with the Christian Front.. Said he was the last of thousands..

"KASPER also stated that BROWNELL'S Daughter had married a nigger and had a nigger baby..... He used phrases like Jewspaper, for newspaper, Jewdicial for Judicial, Jewnited Nations, for United Nations ect...

"EUSTICE MULLINS spoke on the Federal Reserve Conspiracy Stateing that he had writted a book on the subject. He is at present unemployed. Stated that he had visited Gov. FAUBUS in the summer. Stated that he had had conferences with his secretary in Little Rock Ark. (He told me privately that he had roomed at college with [redacted] and knew him even before he got into this fight, I asked him who [redacted] was and he stated that he had said JOHN KASPER. Several of the males were vieing for her attentions, as the party wore on I said to her that she had a tireing day, and that I was the only one around that had a car and I would drive her home.. She got in the car and kept up a constant conversation on politics. I asked her what her maiden name was, she said it was [redacted] from Virginia... I asked her how many units the party had, she stated about 25 or thirty. She said the membership had doubled since U. W. P. title had been changed to NLS.R.P. I asked her how many different organizations were represented there, she said 15 or 13.. I aked her if any Sons of the Confederacy, or any other patriotic Confederate organizations were represented, Oh like the Confederate Underground ect.... she said no that she had never heard of any organizations like that.. but that they sounded good.. She said ED FIELDS was a genious.. We drove up to her house and her husband came out, shook hands warmly and showed no concern that a strange man had driven his wife home at 2 Am in the morning... He went back to the house to get a light so she could see and I asked her by number how many members we actually had and she said ED FIELDS kept all the records and that she did not have any idea... I told her that we were growing fast and that I wanted to know just how fast we were actually growing so that I could inspire the Georgia people.... These above questions were conversational questions and not direct..

KASPER and [redacted] kept up a steady stream of conversation, nothing of any consequence....

"I returned to my room, the Hotel Keeper said that Dr. FIELDS had been talking to [redacted] via telephone..

[redacted] woke me up about 8 am, he had a large skinned place on his left cheek, and a bloody leg, and a broken arm. I asked him what had happened and he stated that he had been drinking and had fallen in the parking lot. He was in terrible pain and stated that he had talked to Dr. FIELDS the night before and asked him to tend to the wounds, he said FIELDS told him he would see him at 10 am Sunday morning.

"I tried to get [redacted] to let me take him to a hospital for treatment. But he waited till 10 and saw ED FIELDS at the Henry Clay Hotel. FIELDS looked at his arm and told him that the Medical Drs. in Louisville had in in for him and that he couldn't treat him. He said he meant no harm but that he could not be known in Dayton taking part in the things he was involved in. He said when I get your confidence and you get mine I can really tell you some things... ED FIELDS walked up with a package Air Mailed to him containing the National Committee to Free America from Jewish Domination literature. He told me that a small meeting had been called in [redacted] room on the 7th. floor. He said this was a closed meeting for the men leaders only. He said I was to attend. I went to this room immediately, two women were there and stated that they were leaving, I raised the window and looked down at the street and had a peculiar feeling. I left the room and went to my car and got a quart wine bottle with a long neck, I had filled this bottle with 26% Ammonia before leaving Atlanta. I carried this in a sack like a bottle of wine. We went to a mans house named [redacted] in Louisville. Several people were already there. [redacted] was there making sandwiches, and being as popular with the men as possible. She seemed to take a special interest in me. Always making sure I had a sandwich and something to drink.. After a while JOHN KASPER began to speak and recorded his speech on a tape recorder. His theme as usual was putting the blame for everything on the Jews. He said [redacted] name was actually [redacted] a Jew.. He said he did not believe in violence but that the results of normal reaction of people when they heard the truth was not violence... Informant advised on 8/29/58 that he received a typewritten letter from Dr. E. R. FIELDS of Louisville, Kentucky, on the letterhead of the National States Rights Party, Jeffersonville, Indiana, as follows:

"As of today we still have heard nothing from [ ] - but bring his clothes along, and leave them here for him to pick up, as he must be here by September 12 for a hearing in his suit against the local Red Press.

"The Ala. head of the N.S.R.P., Mr. [ ] [ ] Pinson, Ala. - needs a ride to the convention. He is a very important member, could you give him a ride up? Why not phone him or send a wire? Perhaps he could take a bus over to Atlanta, and ride up with you? Hope you can help him out."

Informant stated that he spent considerable time and effort in reaching [ ] and made arrangements to pick him up in Chattanooga, Tennessee, inasmuch as he was unable to contact [ ] in time for him to come to Atlanta.

Informant stated that Miss [ ] [ ] Atlanta, Georgia, [ ] gave him two letters that she had received from [ ] T-1 stated in general these letters stated that [ ] had returned to his home in Detroit, and although he would like to return to Atlanta, his parents would not allow him to do so as they insisted that he remain in Detroit, and enter a college there. The letters requested Miss [ ] dispose of his furniture, some of it to be returned to the people from whom he had purchased it as it was not fully paid for. Informant was requested to bring [ ]'s clothes, and personal property, including an air conditioner, with him to Louisville, but upon checking with Economy Auto Stores, informant learned that the air conditioner was mortgaged property. According

to T-1, the mortgagee recovered the air conditioner from the premises of Miss [REDACTED]

b6  
b7C

Informant described this convention as being badly planned, and stated there were arguments among those present. He stated they did not seem to like each other. Informant stated he feels that the arrest of the five pickets by the Atlanta Police Department on July 27, 1953, has broken up the National States Rights Party in Atlanta. He stated that their office has been closed, and he believes there will be only limited activity, if any, in the near future.

Informant types his reports, and although his typing is improving, he continues to make typographical errors. Informant states he regularly practices typing in an effort to improve his ability to properly type his reports.

[ ] stated he went to the home of EDWARD R. FIELDS at Louisville on Friday of 8/29/58 along with other members of the NSRP. FIELDS received a phone call from Reverend [ ] of Charlotte, North Carolina, who said he would be unable to attend; however, Mr. [ ] would attend in his place. Mr. NED DUPES arrived at 10:30 PM from Knoxville, Tennessee. DUPES is Secretary General of the NSRP. FIELDS advised the group that JOHN KASPER would address the rally Saturday and from there he would fly to North Carolina and talk at a Labor Day rally of the Klu Klux Klan at Greensboro and would then proceed to Arlington in time for school opening Tuesday. FIELDS advised that a Mr. ROCKWELL is now in Arlington awaiting the mailing of several thousand tracts that FIELDS is printing, which will be distributed throughout the city.

[ ] advised that FIELDS discussed the possibility of KASPER being returned to jail. FIELDS advised, "If they put John back in prison, we'll greet him with a bigger demonstration than the last time and they'll get bigger and bigger until we finally break into the prison and hang the jailers."

NED DUPES responded to this remark by saying that "and when we do, I want to club that no good sonabitch in Washington."

FIELDS asked, "Who's that?"

DUPES answered by saying, "Why that killed Eisenhower. I would like to get him out in a cornfield and take a ball bat to his head. I would really work him over."

[ ] advised that all the members of the NSRP laughed at this remark.

[ ] advised that later that evening JOHN KASPER phoned and announced that he had just arrived in Louisville and instructed FIELDS to call the press regarding his arrival.

[ ] advised that the meeting of the NSRP opened on 8/30/58 with 59 persons in attendance. JOHN KASPER was the main speaker at the meeting and commented about the good work of the NSRP and spoke generally about Jews and Negroes. [ ] furnished the following list of 40 persons in attendance at the meeting:

[ ] advised that FIELDS made speeches at conventions for unification of the Constitution Party of the NSRP.

[ ] advised that he accompanied JOHN KASPER and [ ] Klan member of Reverend [ ] unit in Charlotte, North Carolina, and had several drinks at the Tropical Club and stayed at [ ]'s room in the Henry Clay Hotel. [ ] advised that while at the hotel KASPER was in a talkative mood and touched upon the subject of bombing and stated "whenever I do that kind of stuff I always make sure I am not followed, and I only see guys I can absolutely trust. When the synagogue was blown up in Nashville and Miami the same night, don't you think that didn't get the Jews shook up. That really shook them."

[ ] advised that [ ] became very boastful of his actions and made the statement "When my brother was being tried, the state witness, poor man, was working his car when the jack slipped accidentally and crushed his head like an egg shell."

KASPER responded to this remark, "Funny how these accidents happen; but I guess when the good Lord comes, you have to go even when you are working under a car."

b6  
b7C

[ ] then remarked "Good thing too; it saved my brother from a long prison term."

[ ] advised that both men talked as if this was not an accident and had been planned.

[ ] advised that the second day of the meeting of the NSRP was taken up by long speeches of NSRP members regarding certain experiences they had with Negroes and Jews and not a great deal was accomplished.

[ ] advised that afternoon [ ] and KASPER and himself were talking about the NSRP. [ ] made the statement that "this fight not going to be won by politics, and I don't care how many NSRPs you have."

[ ] stated that "my idea of a party is to get something on every member. This way he will stay in line or else."

IP 105-975

[ ] advised that KASPER also thought little of the NSRP because of its alliance with the Constitution Party. KASPER told [ ] "What is needed is the same thing Hitler had with his National Socialist Party. Everything, every decision must be made in the head of one man....because they can't split a man's head."

b6  
b7c

KASPER told [ ] that he thought he would have a name for a new party, one that will strike holy terror to some, and it would be called the Kasper Party. [ ] advised that KASPER told him he would make him Administrator of Propaganda, an enlightenment in his new Kasper Party.

The above information is being furnished to the listed offices in view of their interest in the NSRP and members who attended this convention.

Sufficient copies are furnished to the offices for dissemination to the files of every individual mentioned therein in the event the field office has a file on that individual. A more detailed report is being prepared, and this will be furnished in the near future.

September 3, 1958, Atlanta memorandum September 10, 1958,  
and Washington Field Office airtel September 11, 1958.

ReBumemo contained instructions concerning following  
the activities of the captioned organization and the other  
three referenced communications contained information con-  
cerning the national convention of the National States Rights  
Party. Newark did not receive copies of Bumemo June 27, 1958,  
and two copies are enclosed for that office.

Although there appeared to be some dissension among  
persons participating in the convention of captioned organiza-  
tion and the convention was poorly organized, it is to be  
noted that the convention was attended by persons who are  
obviously radically anti-Semitic and/or segregationist and for  
this reason the Bureau desires to be kept advised of the  
activities of the organization. No investigation of the  
organization as such is to be conducted at this time; however,  
its activities should be followed through established sources  
and informants and the Bureau furnished the results in  
memorandum form suitable for dissemination, with seven copies  
being furnished to the Bureau.

A woman whose name was understood as [redacted], who was a friend of PETER XAVIER of Dayton, Ohio. She was said to be from Berry (phonetic), Arkansas, a place near Little Rock, and was said to be a leader in a women's group opposed to school integration in Arkansas.

*probably* JOSEPH BEAUHARNAIS  
JOSEPH BEAUHARNOIS of Chicago, Room 839. He stated he is connected with the White Grele League of America, Post Office Box 531, Chicago 90, Illinois. *R probably White Circle League of America*

NED DUPES of Knoxville, Tennessee - Room 839.

[redacted] Indianapolis, Indiana.

[redacted] of St. Louis, Missouri, who said he was representing [redacted] of Texas, who was not seen at the meetings.

Mrs. [redacted] (or similar last name), who said she was from Dayton, Ohio. In conversation with PETER XAVIER present, she said she could be written at his address, 335 Linwood Street, Dayton 5, Ohio.

There were also five men present from Dayton, Ohio, whose names were not learned. One of these men made mention that he was against Federal income tax, and had refused to pay it. PETER XAVIER of Dayton was heard to state these men were not connected with him.

On the morning of Saturday, August 30, 1958, a meeting was held in the room of [redacted] in the Henry Clay Hotel for the purpose of considering resolutions to be presented to the Convention meeting later in the day. Among those present were:

ARTHUR COLE of LaFollette, Tennessee, who acted as Chairman.

RE: NATIONAL STATES RIGHTS PARTY

JOSEPH BEAUHARNOIS from Chicago.

PETER XAVIER from Dayton, Ohio.

[redacted] of Florida.

[redacted] of Florida.

[redacted] of Kershaw, S. C., and a heavy man (not  
CLYBURN) who came with him.

JOHN KASPER.

[redacted] of Charlotte, N. C.

[redacted] of Arkansas.

Another woman whose name was not learned.

[redacted] of St. Louis.

ED FIELD of Louisville, Kentucky.

[redacted] of Florida.

[redacted] of Florida did not take part in the voting. He said he was there as an observer; that he was a Democrat and going to remain one, and could not join another political party. He said he was trying as a representative of "the Klan" to work out a peaceful solution to stop school integration.

[redacted] and the man with him offered a resolution to the effect that the organization should go on record as being opposed to racial integration, in a legal and lawful manner, as a national political party. They also offered a resolution that the National States Rights Party should eliminate the Confederate Flag from its stationery, because it was a National party and the Confederate flag represents only the south; also that the Headquarters of the National States Rights Party should be north of the Mason-Dixon line. These resolutions were accepted and approved.

RE: NATIONAL STATES RIGHTS PARTY  
INTERNAL SECURITY - X

JOHN KASPER offered a resolution to the effect that the organization and all its affiliates would endeavor to contact students and form units of the pupils in the schools to picket and resist the entrance of any Negro in any white school. There was discussion of this, with ARTHUR COLE, as well as [redacted] and the man with him, opposing anything that could lead to violence in opposing a court order, but the resolution as proposed by KASPER was passed.

It was stated that other resolutions had already been drawn up for presentation to the Convention.

[redacted] spoke about the Thunderbolt, publication of the National States Rights Party, that had an article attacking the FBI. He said this type of writing could put the whole Party on the subversive list. He said he did not know how they felt about the FBI up there, but that people in his section don't feel that way about the FBI. He said the FBI has never given them any trouble, has never falsely charged people; and that there had not been a case against "the Klan" in the south in which the FBI was involved except where the men went out and violated the law and everyone in "the Klan" knew they had violated the law. He said if this type of article came out again they would force the south to state they were against the National States Rights Party. He said there were signs on the edge of his town saying "The Ku Klux Klan Welcomes You", but it doesn't mean people are welcome to come in and kill Negroes and violate the laws. He did not offer a formal resolution about this. There was a general discussion, with many of those present against him. No final decision was reached, but it was agreed this matter would not be brought up on the Convention floor.

b6  
b7C  
b7D

The general Convention meeting of the National States Rights Party was held in Liberty Hall in Louisville at 2:30 P.M., with ARTHUR COLE acting as Chairman. The persons listed above were present, as well as many others, bringing the total to probably over one hundred. Persons who came in had to sign a register and be identified. ED FIELDS made a statement that eighteen states were represented, but the States were not named.

RE: NATIONAL STATES RIGHTS PARTY  
INTERNAL SECURITY - X

The floor was offered to [ ] to speak, but he declined.

The floor was then given to JOHN KASPER. He spoke about an hour, about having been in prison, against the Jews, and praising Admiral JOHN CROMMELIN. He said there should be picket lines to keep people out of schools that are integrated. He said we don't want violence, and laughed. He said there should be units set up of students in the schools to harass Negroes inside the schools.

[ ] of St. Louis spoke. He said he was glad that KASPER had agreed to come south and wake up the people about integration, even though he had to go to jail for it.

The resolutions that had been approved in the hotel room meeting that morning were presented and adopted.

b6  
b7C  
b7D

The meeting recessed and resumed at 7:30 P. M. in the same place. As nearly as could be told the same persons were present. ED FIELDS of Louisville made a speech praising Admiral JOHN CROMMELIN. The Convention nominated Admiral JOHN CROMMELIN to be their candidate of the National States Rights Party for President of the United States in 1960. A resolution was passed to draft [ ] GRUBBS of Louisville to run as Vice-President. Another resolution was passed for JOHN KASPER to be their campaign manager. Another resolution was passed that the platform would be to deport all Negroes and Jews to their native lands, and that all white people should refuse to hire Negroes or Jews to work.

There was no discussion about the FBI on the floor of the Convention.

It was announced there was to be an outing or meeting on Sunday, August 31, 1958, at 2129 Dixie Highway, Louisville, which was stated by someone present to be a tourist court or something similar run by a man named [ ]

RE: NATIONAL STATES RIGHTS PARTY  
INTERNAL SECURITY - X

In private conversation on August 31, ARTHUR COLE of LaFollette, Tennessee, was heard to say that if the National States Rights Party is going to support violence he is going to resign from it.

Bureau advises that when information furnished by ADL as supplied by [ ] is set out in communications to be disseminated it should be characterized as having been received by T-1, a representative of a private organization, who obtained the data from a source whose reliability is unknown to the Bureau.

The following is the verbatim report referred to above:

REPORT BY [ ] SEPTEMBER 9, 1958

This is report of September 5, 1958, pertaining to a trip to Louisville. Arrived at Louisville at 1:30, was met at the airport by one of Dr. [ ]'s men whose name I didn't get and taken to the Henry Clay Hotel and after checking in I went to the meeting place, Liberty Hall, at Louisville. Upon arrival there, met [ ] United Southern Employees, [ ] Dr. EDWARD FIELDS, [ ] Louisville, Mr. [ ] St. Petersburg, Florida, Mr. MAT KOEHL from Milwaukee, Wisconsin, Mr. [ ] from Indianapolis, Indiana, Mr. [ ] Farmington, Michigan, and I met Mr. PETER XAVIER, from Dayton, Ohio, and Mr. [ ] from Kershaw, South Carolina, with the Associated Klan, and from Chicago, Illinois. Mr. JOE BULHARNY (phonetic) P. O. Box 531, Chicago, Mr. [ ] from Louisville, Kentucky. Mrs. [ ] also Louisville, Kentucky, Mr. [ ] from Louisville, Kentucky, and, of course, JOHN KASPER was there and many many more that their names I was not able to get at that time. At this meeting, first session at 2:30 was an open session, in other words, everyone was invited, the press and all, and Mr. ARTHUR COLE of La Follette, Tennessee, acted as MC of the meeting and he spoke briefly and then he asked Mr. BULHARNY to speak and after him Mr. JOHN KASPER spoke and a few others. PETER XAVIER said a few words and Mr. [ ] from New York City spoke for a few minutes and Mr. [ ] from New York City (first name I did not get). He is an atheist with the Free Thinkers in New York City and the first session was mostly talking about what should be done in organizing the new National States Rights Party and to concentrate the efforts in fighting Jewish domination and Jewish control of the government and so forth.

CE 105-683

After it was about 5:30 or 6:00 o'clock, this meeting was adjourned and we went and ate lunch and returned back to the meeting hall at approximately 7:30 and this meeting, of course, was a closed meeting. You had to sign in and either be vouched for or a member of a patriotic organization, states rights, or some organization recognizable by them and, of course, this meeting was very similar along the lines of the first meeting and this man HAL CHILDSO from St. Petersburg, Florida, seemed to talk at great length on the Confederate Underground being his baby and his organization and that all this talk wasn't getting us anywhere, that we had talked too much already and that we should do something and the Confederate Underground had the answers and on and on and on. He passed out some papers, Committee for Governor, State of Florida draft, HAL CHILDSO for Governor, which I am enclosing and it also has his address written on the back of it. It would be well worth investigating as far as the Confederate Underground is concerned.

There was a man who spoke to the next session pertaining to a book "Segregation vs. Integration" by W. M. HEARINGS of Lexington, Kentucky, and he spoke about we should buy this book and so forth and so on and then we had nominated by JOHN KASPER, Admiral JOHN G. CROMMELIN as a draft for President in the forthcoming election in 1960. Also MILLARD GRUBBS as Vice President. At the evening session, [redacted] and two or three of the men who came with him, Mr. HAL CHILDSO, left and went back to the hotel. [redacted] claimed he had a toothache or some reason that he went back. It became evident later as to a news release he made that he was mad because he hadn't been called on to speak and so evidently he was pretty upset about that.

b6  
b7C

On Sunday, of course JOHN KASPER spent the night with me at the hotel in my room and we got up the next morning, of course, and ate breakfast and went down to [redacted] and this HAL CHILDSO and [redacted] JOHN KASPER and myself. We talked at some length. [redacted] of course, said he was returning to Florida and would not be able to stay for the afternoon meeting. We met in the afternoon in Mr. [redacted] home in Louisville at [redacted] He has a trailer park there and we met at his home and spent most of the time

eating and talking in little groups here and there. It was a very informal meeting and JOHN KASPER, of course, spoke right at the end and we had to rush to the airport to catch the plane back to Charlotte and JOHN KASPER was taking up a donation at the meeting hall at Liberty Hall for his trip to Charlotte. He was given \$58 that they had taken up.

We arrived in Charlotte, Sunday night and we went to the newspaper where he gave a news release that he was to speak at Charlotte, Monroe and Greensboro. We left there and came to my home and he called Mrs. [redacted] (phonetic) to advise people that there would be a meeting in Charlotte the next day at 12:00 o'clock and, of course, we got to bed about 2:00 o'clock and got up the next morning about 8:00 and he called several people and talked at length about different things. He called Mr. [redacted] down in Gaffney, South Carolina, and talked. He gave the idea to me the way he talked that Mr. [redacted] may have had something to do with the bombing in Gaffney and also Charlotte and Gastonia. I have nothing to back this up except for the way he talked and, of course, in spending this time with me, he did talk about the bombing in Nashville, Hattie Cotton (phonetic) School and he never actually admitted doing it but he did talk about it and then kind of grin and so forth, to leave the impression that he did know something more than he would say. JOHN KASPER in my opinion is an intelligent man. He is using the power of suggestion to the people in order to have them to commit these different acts. For instance, he said at the Hattie Cotton School at this meeting -- he told them that on the way to the meeting, he was stopped by three different groups of men telling me that if they integrate the schools they were going to blow them up. He said he never saw the men before and didn't recognize them and wouldn't if he saw them again but he said what could I tell them, because they said they were going to bomb the schools. I couldn't tell them not to and so forth and so on. He went on to all this and after the meeting in Charlotte and Monroe, of which the newspapers carried thoroughly, we went home to Greensboro for the meeting and there we met a man who had been to the other two meetings at Charlotte and Monroe. He also came to the Greensboro meeting by the name of [redacted] (phonetic) Drive, Charlotte, North Carolina. He was very friendly with JOHN. He went out and ate with

us. He invited us out to supper and seemed to be very sympathetic to JOHN KASPER and we left en route to Knoxville, of course, arriving in Knoxville 8:20 the next morning. We stopped by a motel and got a room and shaved and immediately went to the courtroom for the trial of [redacted] Knoxville. Mr. [redacted] was being tried for disorderly conduct and inciting a riot and he had Admiral JOHN G. CROMMELIN there from Wetumca, Alabama, as a witness and several local people as witnesses. This trial seemed to be pretty well planned by their part. I didn't know who planned it but they seemed to be pretty well orientated on what to do. After court recessed until Thursday morning, we went to Mr. [redacted]'s home and carried Admiral CROMMELIN to the airport but before we went to the airport and Mr. [redacted]'s home, we talked at length about different things and the book "Mein Kampf" came up and, of course, Admiral CROMMELIN had this book with him -- the German book "Mein Kampf" and several other German books came up.

b6  
b7C

I might also mention that at my room at the hotel in Louisville, Mr. [redacted] came up with JOHN KASPER and myself and we all talked and JOHN KASPER and [redacted] talked some in German. They also sang a German song and talked of ADOLPH as if he was a brother and they mentioned several times the "fuhrer" and they gave me the impression they also were completely Nazi in thought, all their actions and so forth. At Louisville after taking Admiral CROMMELIN to the airport, we returned to [redacted]'s home and there we talked of different things and different bombings and so forth that had taken place. Of course, [redacted] mentioned this one person's house there in Knoxville; the name I didn't get, whose home had been bombed because she was caught with a Negro naked or something and he said that he had a hard time finding her house. He had to use an airplane to fly over it to actually get the location of the house. He said the driveway, he knew where that was right off the highway but you couldn't see the house from the road so he took an airplane and went up and went over her house in order to find it and then he said he stood at his back yard and heard the explosion and with a grin so that maybe he had something to do with it or knew something about it. And, of course, we were completely worn out and exhausted and we laid down about

CE 105-683

4:30 and didn't wake up until the next morning and upon getting up Wednesday morning and preparing for my return trip to Charlotte, we talked very little about the forthcoming events. JOHN KASPER said he had no immediate plans but that he was going to remain in Knoxville for the court trial of [redacted] and then he would return and I would hear from him in a few days and he may plan to go to Oklahoma due to the recent activities there of the NAACP in the Negro population as to their activities in the drug stores and so forth, trying to force integration there.

**EUSTACE**

EUSTIS MULLINS was also at the meeting in Louisville and during the conversation of JOHN KASPER and myself in the hotel room, MULLINS, of course, came up his name, and JOHN KASPER told me that some people had accused EUSTIS MULLINS of being homosexual or a sex pervert and also MAT KOEHL and that he and EUSTIS MULLINS were living together now and he said that as far as he knew EUSTIS MULLINS was not a homosexual and that he was a brilliant writer and that at his apartment in Washington, D. C., one day they were sitting talking and that EUSTIS just sat down at the typewriter and started typing and when he had finished he had written the "Abdominal (abominable) But True", pamphlet quoting Rabbi RABINOVICH and that Rabbi RABINOVICH was a figment of EUSTIS MULLINS' imagination that he just out of the clear blue sky wrote this just as if he had written it out of a book and that he had done several other writings exactly like that and he was a tremendous speaker, and, of course, this new one that he wrote called "Integration News." It is supposed to be from Washington, D. C., with all the pictures of the apes and Negroes and so forth. It also is a EUSTIS MULLINS paper and just lots of them that he didn't go into names of. He didn't get the different names.

It is hard to try to remember all this and actually JOHN KASPER spent the entire time with me and I didn't have time to take any notes and actually at the meeting hall it was impossible to make any notes and at the hotel room was almost the same as at the meeting hall, people in and out and so forth and as things do come to mind they may have past in the conversation there, I will send it in and write it down and

CE 105-683

forward it on to you and, of course, my talking to you by phone and so forth it may be questions will arise and bring different things back to my mind that took place there. I can't think of anything else that would stand out as of now but anything that does come up I will, of course, forward on to you. That completes this report of September 5th and I will try to forward the next report as soon as I have it completed.

BOMBINGS AND ATTEMPTED BOMBINGS  
IN SOUTHERN COMMUNITIES  
RACIAL MATTERS

ReBuairtel to all continental offices dated October 13, 1958, captioned "Informant Coverage In Organizations Which May Be Engaged In Violent Activities Involving Minority Groups" and SAC Letter 58-63 dated October 13, 1958, dealing with press statements in bombing cases having apparent racial or religious basis.

In carrying out our responsibilities to give full assistance to local police departments and in determining whether any Federal violations under the Bureau's jurisdiction exist with respect to bombings and attempted bombings, there is a possibility that "hate" groups such as the Washington White Citizens Council, the National States Rights Party and the Confederate Underground may be involved either in the planning of or the actual carrying out of these terroristic activities. As a part of our over-all investigative effort to determine the identities of those responsible for the bombings, the Bureau has initiated a program of immediately launching intensive investigations of "hate" groups. It should be kept firmly in mind at all times that the primary purpose of the intensive investigations of these "hate" groups is to determine whether the leaders or members of these groups are involved in any way in the bombings which have taken place since January 1, 1957.

In order to assist the field, the Bureau has compiled the following list of known "hate" groups for use in implementing this program.

The Christian Nationalist Crusade was organized in St. Louis, Missouri, in 1947 and has its headquarters at the present time in Glendale, California. This organization, as well as its subsidiary organization, the Christian Nationalist Party of America, reflects the imprint of its director, Gerald L. K. Smith, whose basic argument has been that the United States is threatened by anti-Christian and racially "mongrelizing" forces such as communism and internationalism, all dominantly motivated by international Jewry. While it is not known whether Smith and his close associates have inclinations to illegal action, the tenor of their public statements and programs is intensely anti-Semitic.

This publication is a monthly news letter of obvious anti-Semitic nature prepared by [redacted] Santa Ana, California. [redacted] claims to have vast experience in the intelligence field dealing with the communist menace. However, pertinent records reflect he was associated in a limited capacity with Air Force Intelligence during World War II. Material printed by [redacted] is often reprinted in "hate" publications such as "Common Sense."

Each office of origin of the groups listed above should launch an immediate investigation to determine whether these groups could be connected in any way with any of the bombings which have occurred since January 1, 1957. In order to accomplish this, it will be necessary to determine the present leaders and membership of the groups and to establish the pattern of their activities during the pertinent period, that is whether they have advocated violence or are of such a radical nature as to present a potential for violence. These cases must be assigned to mature, experienced Agents and must receive the personal supervision of the Assistant Special Agent in Charge or Special Agent in Charge. Careful planning must go into the approach to these investigations and it is expected the appropriate initiative and ingenuity will be exercised to achieve results. Sufficient manpower must be assigned in order that all investigation may be handled promptly and a determination can be made as to whether any of these groups are involved in the bombings. You must, of course, comply with instructions set forth in reairtel to develop sufficient informant coverage so that you will be advised on a continuing basis of the plans and activities of these groups.

Re: BOMBINGS AND ATTEMPTED  
BOMBINGS IN SOUTHERN COMMUNITIES

Each office of origin must advise the Bureau within ten days of receipt of this communication that an investigation has been launched of the groups in its jurisdiction together with an outline of the investigative plan and the number of Agents assigned to carry out the investigation. Thereafter, reports must be submitted each thirty days until the Bureau advises to the contrary or until the group under investigation has definitely been eliminated as having any connection with the bombings. Of course, any significant development in the case should be promptly furnished to the Bureau by whatever means of communication deemed warranted. All communications and reports submitted concerning a specific group should bear the title of the group with the character Internal Security - X; Racial Matters. The original and four copies of reports must be submitted.

In connection with the over-all program, all offices must search their indices to determine whether there are other "hate" groups than those listed above. In the event any such groups are located in the search of the files the Bureau should be promptly advised of the identity of the group together with a statement as to whether investigation is being initiated. If investigation is not to be undertaken, complete justification for not so doing should be included in the communication to the Bureau.

All offices except the offices of origin in the groups listed above should search their files for information concerning the above-listed groups and promptly furnish such information, where not previously done, to the Bureau and the offices of origin. In addition all offices should contact logical informants and sources in order to develop any information available concerning the possible identities of individuals who may have some connection or knowledge of the bombings which have taken place since January 1, 1957. The Bureau should be advised by October 28, 1958, the results of file searches and the contacts with logical informants and sources and all offices should continue to be alert for and alert their logical informants and sources to promptly bring to their attention any pertinent information concerning bombings and attempted bombings. Such information should be promptly reported to the Bureau.

This is a program, which if exploited to its full potential, could well lead to the solution of the bombings. Therefore, it must receive continuous and expeditious attention.

[redacted] radio station WOR, NYC, interviewed F. ALLAN MANN telephonically on his program of 10/16/58. MANN was described as chairman of subject group in Hinsdale, Illinois and he stated that bombings of synagogues were unfortunate but inevitable. MANN stated that the Christian people had their backs against the wall and the U.S. Government was under the control of the Jews. He said the Jewish conspiracy against Christians must be met by educating less fortunate Christian people. MANN indicated the NSRP is a Protestant group which at present is loose-knit but which is going to be strong.

BENJAMIN EPSTEIN, Director of B'nai B'rith's Anti-Defamation League, answered MANN's comments on this radio broadcast by stating that MANN is a bigot and likened him to HITLER. EPSTEIN said MANN is associated with the publication "Thunderbolt". EPSTEIN added that threats against synagogues and churches are threats against America.

The following is the enclosed material received from Richmond:

1. Report of October 4, 1958, as follows:

Nothing this week until Thur. night when I received a call from John Kasper at my home from Rock Hill, S. C. and he informed me that he had a flat tire on his car and that he was going to have to buy one before coming on. He also said that he was going to see [ ] of the USEA and see if he could get him a tire. Kasper said that he would talk to [ ] some and that he would be on up to Charlotte and he would like to spend the night with me. Kasper arrived at my home at about 2:00 AM and went to bed. The next morning he and myself talked about what he had been doing, Kasper said that he had been in Florida for about a week or so, and that he had talked to [ ] about the money he had stole from his mother (Mrs. Kasper) and that [ ] said he did n't know what he could after Mrs. Kasper had talked to a Lawyer. He also said that he had found out that the committee that he appeared before about the Negro girl had met at a hotel before he was called and talked the hearing over and that some of his friends were there and said nothing to him about it. He (Kasper) then said that we should go to the Billy Graham meeting and see what

CE 105-683

was going on. I had to get him some clothes to wear and we took his to the cleaners and then we went out by [ ] house to see if he could get a little money as he said that he was about out. We didn't get any there so we then went by C.F. Brown's house and he said to come back about 7:00 P.M. and he would have a little for him. We then came back by and picked up his suit and back to my house and Kasper took a bath and we both got ready to go out. Kasper wanted to call [ ] in Knoxville, Tenn. and I let him use my phone. He asked [ ] if had heard anything about his trial in Nashville and [ ] said that he read in the paper that the Judge was not going to let him defend himself (speaking about Kasper) and that he had to be in Nashville ten days before the trial to tell the Judge who the lawyer was going to be and if he didn't have one he was going to appoint one for him. Kasper then wanted to call Nashville, and I don't know who he talked to there, a lady but I didn't get the name. After we ate we went to [ ]'s house and he gave Kasper \$10.00 and said that he would like to give more but he didn't have it now. After we left [ ]'s we went to the Graham meeting and stayed until about 9:05 and then as we were leaving Kasper said that we should go by the Observer office as the press didn't see him there at Graham's meeting. We arrived at the Observer about 9:20

and Kasper asked to see the paper that [ ] had a letter in about the Highlander Folk Sch., and while we waited for them to go upstairs and get one the reporter wanted to know if he would answer a few questions for him. Kasper said that he would. And Kasper gave them a big story about moving to Charlotte and opening an office here and a lot of other things. That afternoon before going back to [ ]'s house Kasper wanted to go to the post office and get a box, so that he would have a local mailing address and that he could put out literature with it on there. The box #503 is in John Kasper's name. He got two keys and gave me one so that I could get the mail and send it on to him. I took it so that I could see what came in, etc. After we left the paper we came by my house and then on to see [ ] We stayed there for about 2 hours and I listened to the two of them talk about how to fight Jews and how to win, etc. Nothing came out that I could think of except the same old thing. We then came home and went to bed. Kasper wanted to know the next morning if I would do some printing for him if he needed it. I said yes if he could give me a little time on it. He said that he wanted to go out to Oklahoma and do a little work and he wanted to print up a leaflet to let the people know where and when. He said that he would let me know the time and that it would be on the Capitol steps. So I don't

know when he is going yet. He said that he had to go on to Washington and see some friends and get them back to work and that if I wanted to get him I should call him at one on the following [REDACTED]

[REDACTED] all of Washington, D. C. Kasper said that he would be there until about the 12 of the month. He then is going back to Nashville to get ready for the trial. Friday morning Cole called at my house and wanted me to come down to Marion and do some work for him in the area and then go to Conway for the meeting he was going to hold. I told him that I couldn't make it and that John Kasper was here and he wanted to speak to Kasper. Kasper talked to Cole and after some time said we would come down. Later on Kasper said it was too far to go and that we didn't have the money to go with so we should send Cole a telegram and tell him we couldn't make it. That is what we did. Kasper left my house about 1:00 PM on his trip to Washington and I will let you know when I hear from him.

It is noted pertinent information contained therein regarding JOHN KASPER's itinerary has previously been submitted to interested offices.

"The lawyer in Seattle, Washington, has taken over the job of organizer in that state. Yesterday my first mail from Montana arrived and it was from two lawyers wanting information. The news evidently has been slow getting out there as they stated someone told them there was an organization known as the United White Party with delegates in 15 states, As you know that name has been dropped long enough to have been forgotten.

"Would like very much to drop over there in the very near future and do anything possible to assist in getting things going, That is if my help would be of any benefit to you. Johnson in Birmingham is going along fairly well.

"Dear Mr. [ ]

"Thank you for answering my letter. Just as you would like to have a friend up here in N. Y., I would like to have a friend down there. I doubt very much whether I'll be able to get down your way for a while, as I just started college under the G. I. Bill two weeks ago. However, if you come to New York, I certainly do hope you'll look me up.

"I was unable to attend the convention, unfortunately, but I have been in touch with party headquarters, especially with Ned Dupes in Knoxville. I don't know Dr. Fields, but I got a letter from him just the other day asking me to see what I can do about organizing a chapter here in New York City. As of now, I don't think there is an organized chapter here.

"Thank you for sending me the Georgia Tribune and the other stuff, especially the Believers Card. I gave the card away today and wonder if you could send me a couple more?

"As you probably know, we up North here have quite a problem with the Negroes, also, and a much worse one with the Jews, who are back of most of the trouble in the Country today. We are doing our best, though, and someday we'll win, I'm sure. I hope the Party can get a couple of people on the ballots at the next election.

"Good luck down South, and pray for us up North here. Don't hesitate to write to me from time to time and let me know how things are going. I will need a lot of advice and help.

Segregationally yours,

Chicago 10/2

Greetings, [redacted]

I have been sadly remiss in not writing sooner. The last few weeks have involved a hectic flurry of activity of long-range importance, if not immediately spectacular. Am just beginning to get caught up now.

Regarding the equipment, the poor shape of my finances forced me to dispose of them locally. Under the circumstances it was impossible to do otherwise, as I didn't have a source of steady income, and my "creditors" were calling. At any rate, I don't want you to take it ill of me.

Our conclave down in Louisville was a memorable event. Seeing [redacted] was worth the trip in itself; his style of delivery is irrepressible; I look forward to his writing some pages of American history in a grand manner, discomfoting to the kikes.

CE 105-683

Our problem is one of building for the future, for the period five, ten, fifteen and twenty years from now. Whatever we do must have effect beyond the mere present. I am satisfied that the course of events is moving in our direction. Great opportunities will present themselves if we're ready for them.

Enclosed is a tidbit that has a message for each and everyone of us.

For a free White America,

/s/ Matte"

The enclosed tidbit referred to in the above letter is a drawing of a person bound to a post with wood around his feet, and another individual with a torch standing nearby ready to light the fire. Across the top is "Panem Et Circenses".

Across the bottom is the statement "It is better to light one candle than to curse the darkness" "P. O. Box 1785, Chicago 90, Ill."

On 10/24/58 Dr. EDWARD R. FIELDS, [redacted] Louisville, Ky., national chairman of the NSRP, telephonically advised SA GEORGE W. HUTCHISON of this Office that two individuals had been expelled from the National States Rights Party.

[redacted] of Indianapolis was expelled because the National States Rights Party considers him an adventurer and has learned that he is or has been associated with the Anti-Defamation League. FIELDS said that [redacted] had never been an officer "or anything" in the National States Rights Party, that he subscribed to numerous publications of a leftist nature as well as rightist, that he attended the Moscow Youth Conference and was thrown out of Russia for speaking for Radio Free Europe. FIELDS did not indicate the sources of his information.

F. ALLEN MANN, Hinsdale, Illinois, publisher of the "Revere" and head of the Christian Political Crusade, was expelled because he has been "issuing juvenile statements and writings." FIELDS said that one of his statements was favorable toward the idea of a "white underground" and that he was expelled for these reasons. FIELDS indicated that a statement had been issued by the NSRP condemning the use of violence.

A. General Activities of the  
National States Rights Party (NSRP)

T-1 indicated the following on December 2, 1957:

He stated that JAMES MADOLE, leader of the National Renaissance Party, had recently received a letter from EDWARD R. FIELDS, 1617 Bardstown Road, Louisville, Kentucky, in which FIELDS stated he was sorry that MADOLE was unable to attend the Nationalist Convention in Knoxville, Tennessee, and stated further that a second convention would be held in December to form a permanent organization. FIELDS indicated that a Mr. [redacted] had attended the previous meeting from New York City and perhaps MADOLE could make arrangements to come down with them for the next meeting. FIELDS further requested MADOLE to furnish his rates for advertising in the "National Renaissance Bulletin." FIELDS indicated he wished to place an ad in the Bulletin offering free samples of "all our citizens council literature" to whomever wishes to write for it.

b6  
b7C  
b7D

T-1 indicated on June 10, 1958, that JAMES MADOLE had received a letter from Dr. FIELDS on the stationery of the United White Party indicating that his trip and campaign in the South was a great success.

NY 105-28550

FIELDS stated that the next trip would be timed so that his group would be in Tallahassee, Florida, on August 9, 1958, to greet JOHN KASPER when he is freed from prison. FIELDS said they would hold a "Welcome Back Kasper Rally" on the very grounds of the prison, and they would have national publicity. He said they had merged with two other southern groups and the new name used as of July 4, 1958, would be National States Rights Party. FIELDS indicated his group would like to amalgamate with MADOLE's group and use MADOLE's publication as the official Party organ. FIELDS said that they have a stronger platform and the new symbol of the Party is the "Thunderbolt."

T-1 indicated on June 3, 1958, that the March - April, 1958, issue of the "Virginian" magazine had a small box advertisement on page four indicating that the United White Party, Post Office Box 2161, Knoxville, Tennessee, is organizing units in Washington, D.C., Philadelphia, Baltimore, New York City, Seattle, Portland, Los Angeles, Louisville, Knoxville, Nashville, Atlanta, Miami and Chicago.

ROCKWELL stated that this attack appearing simultaneously throughout the country will be the start of a revolution to rid the world of the Jew. These informants advised that ROCKWELL described "his boys" interpreted by the informants as those persons who will picket and distribute literature, as followers of a [redacted] who, according to ROCKWELL, is active in New York. ROCKWELL said some of these people have been in Danemora Penitentiary.

NY 105-28550

T-2 advised on July 26, 1958, that the New York group totaled about 14 and the number of participants including ROCKWELL totaled 18. This informant stated that ROCKWELL advised the group at the July 26, 1958 meeting in Washington that money was on the verge of coming in and that CONDE MC GINLEY and two Ku Klux Klan leaders were interested in giving money if the picketing and literature distribution were successful. ROCKWELL added that some of the money for the current demonstration was put up by [redacted] of the "American Mercury" magazine and some by a man named [redacted] in Baltimore.

T-2 further advised on July 27, 1958, that ROCKWELL and seven other persons picketed the White House in Washington, D.C., at 12:45 PM, on July 27, 1958. He stated the picketing broke up about 2:12 PM and among those taking part in the activity besides ROCKWELL were:

NY 105-28550

APPENDIX

"COMMON SENSE"

It is noted that "Common Sense" published by the Christian Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as the "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

NY 105-28550

NATIONAL RENAISSANCE PARTY

A confidential source on April 21, 1958, described the National Renaissance Party as an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City. The Un-American Activities Committee of the United States House of Representatives, in a preliminary report dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

NATIONAL STATES RIGHTS PARTY,  
FORMERLY KNOWN AS UNITED  
WHITE PARTY, EMILY METCALFE

T-1, who has furnished reliable information in the past, advised on December 20, 1957, that Emily Metcalfe, Post Office Box 484, Eureka Springs, Arkansas, is an elderly woman who resides on Montgomery Street in Eureka Springs. Metcalfe came to this town about twelve years ago with her husband, who has since died. She has never been employed in Eureka Springs, does not appear to have any friends or associates, is not active in any local organizations and, although she makes her home in Eureka Springs, she spends part of her time away from the city. Mrs. Metcalfe recently mentioned in the presence of T-1 that she had a job in Chicago, Illinois, which she did not further identify.

T-1 also advised that on occasion he has seen some of her mail, which appears to be of a religious nature and that she had in her possession a letter from "Destiny of America", Post Office Box 5104, Chicago, Illinois.

Eureka Springs does not have a credit bureau, but Norman Faulkner, Chief of Police, advised he knew who Metcalfe was but was unable to furnish any information concerning her.

On October 15, 1958, T-1 related that Metcalfe resides at 15 Montgomery Street, Eureka Springs, and, to his knowledge, she was unemployed and spends most of her time in Eureka Springs. He stated in the past she apparently traveled quite frequently but, as noted, now spends most of her time in Eureka Springs.
